By an Order made by Mr Simon Gleeson (sitting as a Judge of the Chancery Division) on 6 October 2023 (the "**Order**"), the Court granted final injunctive relief to the Claimants in respect of Buncefield (Site 1) and Kingsbury (Site 2) as further described in Schedule 2 of the Order.

A copy of the Order, together with all relevant documents in respect of that Order and the proceedings can be found at the following weblink: ukop.azurewebsites.net - /

Paragraph 12 of the Order provides that there shall be, on or around the anniversary of the Order (being 6 October each year), subject to Court availability a hearing to review the final injunction Order with a time estimate of 2.5 hours plus reading time. The most recent review of the Order was heard on Thursday 13 November 2025 before Master Kaye (the "**Hearing**"). Prior to the Hearing, the Claimants made an application to Court that an order be made permitting the Claimants to amend the Claim Form and Particulars of Claim to change the description of the Defendants and that the Order be amended to change the description of the Defendants accordingly (the "**Application**").

At the Hearing, the Court made no order as to the continuing effect of the Order and granted the Claimants' Application, permitting the Claimants to amend the Claim Form and Particulars of Claim to change the description of the Defendants and that the Order be amended to change the description of the Defendants accordingly.

Pursuant to paragraph 6(d) and 9(b) of the Amended Gleeson Order, the Claimants are now required to:
